

HONORING THE LIFE OF TAYLOR DeROSA

(Mr. LEVIN of Michigan asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LEVIN of Michigan. Madam Speaker, I rise to honor the memory of my young constituent, Taylor DeRosa.

Taylor made her mark as a student activist at Royal Oak High School. She was beginning her college career at Grand Valley State University when her life was taken so tragically several days ago.

I met Taylor when I was running for Congress in 2018 and she was launching a Students Demand Action chapter. Taylor immediately struck me as a huge flash of sunshine in an unjust world. Her commitment to justice was frank and undeniable. You knew the world would change at least a little because Taylor was present, fighting for sensible gun reform, fighting for everyone to see and cherish Black lives, and fighting to empower women and girls.

Taylor made me feel that every minute we invest in our young people is time well-spent. I feel that now, even as we struggle to cope with her loss, because she inspired me and so many folks young and old all around her.

My heart goes out to Taylor's devoted mother, Cara, and all who knew and loved her in this time of heartbreak and mourning.

CONGRATULATING DR. GLENN DeIBERT

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Madam Speaker, I rise today to congratulate Dr. Glenn Deibert, who will be retiring as Coastal Pines Technical College's president at the end of February.

Dr. Deibert has served 27 years in higher education and has served four of Georgia's technical colleges, including Okefenokee Technical College, Coastal Pines Technical College, Southwest Georgia Technical College, and Southern Technical College, formerly known as Swainsboro Technical College.

Because of his dedication to improving education and the lives of students, he was recently named one of the Top 100 Most Influential Georgians by Georgia Trend's yearly publication. This title recognizes some of the most prestigious folks who have contributed greatly to the State's success.

Dr. Deibert attended Central High School in Thomasville, Georgia, and graduated from Thomas Area Technical School, which later became Southwest Georgia Technical College, so his appreciation for technical colleges is personal.

Dr. Deibert's work to improve Coastal Pines contributed to record enrollment at the college for multiple years.

Madam Speaker, I wish him and his family the best of luck as he begins his

retirement, and I am thankful for his many years of dedication to improving higher education in Georgia's First Congressional District.

SUPPORTING EVICTION RELIEF IN COVID PACKAGE

(Ms. SCANLON asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. SCANLON. Madam Speaker, I rise in support today of eviction relief, which we expect to see included in the COVID package we vote on soon.

While we need to do more, this bill provides a meaningful start to addressing the eviction crisis caused by the pandemic. In Pennsylvania alone, nearly one-quarter million households are behind on their rent and facing the real threat of eviction.

This bill will allow, as an authorized administrative expense, funds to be sent to civil legal aid organizations to help keep people in their homes. Under this crucial legislation, legal aid organizations, including faith-based groups, can represent tenants in eviction cases, improve access to utilities, and ensure housing conditions meet necessary standards.

Rental assistance alone will not help the thousands of people facing eviction; families often need access to legal advice to protect their rights. Legal counsel should not be a privilege saved for the wealthiest in our country. It is a basic necessity for navigating the difficult problems facing Americans who are on the bottom rungs of our economy.

I will continue advocating for the families hardest hit by the COVID pandemic, and I thank my colleagues for their hard work on this legislation.

ROCKBRIDGE CHRISTMAS BASKETS

(Mr. CLINE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CLINE. Madam Speaker, I rise today to recognize the Rockbridge Christmas Baskets program.

Originally founded as the Santa Clause Truck, the Rockbridge Christmas Baskets program has been a blessing to the Shenandoah Valley since 1948.

This tremendous, all-volunteer organization assembles and delivers thousands of food and toy care packages to struggling families each year.

While the coronavirus may have put a damper on the holiday season for some, it was no match for the generosity and spirit of the folks at the Rockbridge Christmas Baskets program. Moving their packing day to a larger facility and spreading it out over packing week to ensure the health of those involved, the organization will donate a record 68,000 pounds of food and 1,300 toys to families throughout

Lexington, Rockbridge, and Buena Vista this year.

Having worked side by side with this incredible group many times, along with my family, I can tell you it is the overwhelming community effort that makes it such a success—plus the doughnut holes they serve.

Folks coming together from all walks of life to help their neighbors in need truly embodies the spirit of the holiday season, and I thank the Rockbridge Christmas Baskets program for their continued efforts to bring cheer to so many in our area.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE
